CHAIRMANS MESSAGE

Welcome to our 2021 handbook.
We have prepared a full program but have to accept that some of our early events may have to be cancelled or at least the social gatherings may still be reduced. For the latest information on any rally check our website.
I'd like to thank the committee for all the hard work they have put into running our 'virtual rallies' and online socials, they have kept many of us entertained during the quieter months. I would also like to welcome our new committee members and thank them for their early enthusiasm for the up-and-coming season.
A huge thank you to our team of rally officers for their enthusiasm and anticipated work in the coming season. If anyone is interested in joining this elite group, please get in contact with any member of the committee.
I have decided not to hold my Charity Year this year, as would be customary, but to postpone it until next year, allowing all of us to get back to some form of normality both with rallying and life in general.
We have had an amazing increase in new members over the last year, so we have planned to hold another “New Ralliers” event.
Please come along and join our regular rally enthusiasts at our most stunning rally venue in Grasmere. This will be over the Easter holiday period. As with any rally you can join us for as many or as few days as you like. Come along and meet some of the committee as well as our other members. Rules permitting, we will be organising the usual social activities, and some specifically aimed at new ralliers.
Finally, we hope that our belated 60th Celebration Rally will go ahead in August. We have great plans for this event and hope that you will support it in great numbers.
As always Jackie and I look forward to seeing you on a rally, meeting up with old friends and making new ones.

Alan

RALLY SECRETARY'S MESSAGE

2020 was certainly a very different year; we started with a new venue at the end of January and then only managed 2 more rallies before things ground to a halt. We sadly had to cancel our Celebration Rally, which we were really looking forward to. We weren't even able to enjoy our Christmas Party Rally in December, although we did manage a Zoom Christmas Party for the children who had already booked the rally. We didn't want them to miss out!
The support we have received from our members, and regular Cumbria ralliers has been humbling; it was a pleasure to set the weekly competitions, host our virtual flags and run our adhoc socials. I hope it kept you all going like it did us.

So, despite starting the year in Tier 4, we have pulled together our 2021 handbook. We have everything planned as though things can go ahead; it's easier to plan and cancel than to try and organise in a rush. We are optimistic!
You will notice that we are not taking deposits this year, instead we are asking for payments in full, preferably by BACS, the week before the rally. For many reasons, we feel this is best for our accounts and you as ralliers. And don't forget some of you have money on account which we hope you can use this year. You can also use any vouchers dated 2020 in 2021, as we know most of you did not have the opportunity to use them last year.
Fingers crossed we can get out on a few more rallies this year, but check our Facebook page and website for the most up to date information.

I want to take this opportunity to thank Dan, our hardworking Treasurer, who has put this handbook together. He has put a lot of time in to compiling the handbook while working hard in his ever changing, fast paced role within the Ambulance Service.
You will all be emailed a pdf copy this year, which is how the Club is encouraging us to circulate our handbook, and the web version will be continually updated throughout the year to keep it as current as possible.

Kevin, Oliver and I will hopefully see many of you soon, if not on the rally field, then virtually, and we wish you all a safe and healthy 2021.

Bev Ramshaw

Never Rallied Before?

Thank you for being part of Cumbria Centre. We would like to welcome you to the centre and hope that you enjoy reading this Programme of rallies that has been put together for the coming season.

So, what is a Rally?

Many of our centre members have never joined us on a rally and maybe this is because the word ‘rally’ conjures up so many different images. Yes, there are words only heard within the ‘rallying world’ i.e. Flag, but these words are the foundation of what a rally is. (‘Flag’ is an informal and optional gathering at the start and end of the rally where tea, coffee and conversation flow.) What a rally involves is explained below.

What kinds of Rally are there?

All of our rallies have their own individual character. Some are quiet affairs with no organised activities. Other rallies have socials and activities organised which may be in the local village hall or on the field in summer. All activities are open and we want you to feel free to join in. Activities range from traditional to new and you will receive a warm welcome every time.

How does it work?

On arriving at the rally, you will be welcomed on to site by the Rally Officer and directed to your pitch. You will be given the Programme for the rally and an optional competition or quiz. Usually on the first evening of the rally, there will be an opportunity to join the 'flag'. You are then free to enjoy the rally as much as you like. The rally officer is always on hand if you have questions.

The rally will be 'closed' on the final day with another ‘flag’ and awarding of competition prizes. Rally Officers also take this time to update you on forthcoming events and Centre news. After all, it’s your Centre!

The centre you belong to gives you a fantastic opportunity to experience the locations the rally officers have found. Whether it be for picturesque landscapes where you can spend the time relaxing or a location near to great shopping opportunities. The simpler rallies are often exceptional value for money with nominal fees charged but increasingly, rallies are held on ‘Club Sites’ and other commercial sites – often at large discounts from normal rates.

How do I book or get more information?

The best place to start is to contact the Rally Secretary or the Rally Officer listed for the rally you are interested in. They will be able to guide you through making your booking and give you any further information you need.

This is your centre so relax, pull up a chair and enjoy.

We look forward to seeing you on a rally soon!

VAT Charges on Rallies

VAT has to be charged on all income from rallies. If this rate is altered during the year the amount you pay for rallies, socials, etc. could alter accordingly

Would YOU like to give it a try?
